T4KP Charity Ride is a major fundraiser for the Kids Plus Foundation which was held in September 2015. The support vehicle and 15 riders departed from Adelaide, 6 days and 825 kms later they arrived in Geelong.

All of the riders supply their own transport, food and accommodation so all money raised goes directly to T4KP.

Just over $27,000 was raised this year (the total funds raised over the past 6 years is $120,000).

All sponsors logos are proudly displayed on the riders jerseys and signage on the support vehicle.
