BECOME A SAVINGS SUPERHERO

Do you earn pocket money at home? You can be a Super Saver just like Super Buck.

BE A SUPER SAVER!

Super Buck the Savings Wombat is strong and clever.

He knows that if you put away a little bit of money at a time, you can save for what you really want.

Your **Young Achiever Savings** account is a great place to start saving!

AND START HELPING YOUR CLUB!

FCCS wants to help Super Buck and kids in Geelong to keep playing sports they love - so they can be healthy and have fun.

Every time a Super Saver signs up, FCCS gives money to kids' sporting clubs in the Geelong community. The team can buy equipment, uniforms or whatever they want! So when you use your own **Young Achiever Savings** account, you help too!
