START SAVING & START HELPING YOUR CLUB!

Using your own savings account is a great way to learn about your money, decide what you want to do with it, and save up.

Every time a Young Achiever signs up for a new account or reaches a savings reward, FCCS donates money to their sports club. So when you reach your saving goals, you get a reward and so does your club!

Your club can use their reward to buy equipment, uniforms or whatever they want!

GREAT BENEFITS!

There are lots of banking benefits available to people under 18 that adults don't have.

By opening your FCCS account while you are still in your teens, you can take advantage of great conditions so you can get the most out of your own money.

- ✓ Great interest rates
- ✓ No account fees
- ✓ No minimum balance required
- ✓ Rewards for reaching saving goals
- ✓ Demonstrate your saving ability for future loans
